A Few Native Plants  
Grouped With Some  
of the Species  
They Support

by  
Kate Samworth

ORIGINALLY AN OFFSET PRINTED  
POCKET GUIDE, NOW DESIGNED  
TO PRINT AT HOME

## MAYAPPLE

bumblebee

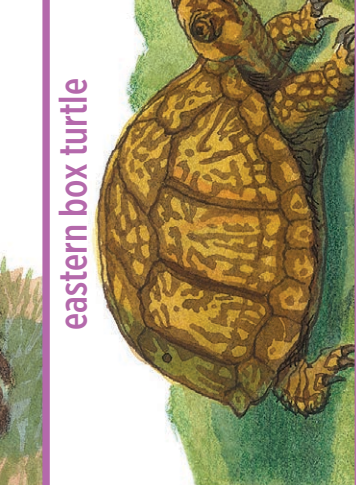

white-footed  
mouse

variegated fritillary  
caterpillar

raccoon

eastern box turtle

## ARLINGTON ART TRUCK

The Arlington Art Truck is a curated mobile tool box packed with digital and traditional creative tools and features quick impromptu artist-driven workshops, performance and pop-up galleries on the streets and parks of Virginia. It embodies Arlington Arts' mission to revolutionize the traditional model of an arts venue.

Ride-along partner: Plant NOVA Natives
