The 17th Judicial Circuit is comprised of three judges with jurisdiction over Arlington County and the City of Falls Church. The Circuit Court is a trial court of general jurisdiction and the highest court in the County for both civil and criminal cases. The Circuit Court has jurisdiction concerning civil claims exceeding \$4,500, with exclusive original jurisdiction for claims exceeding \$25,000. The Circuit Court also has jurisdiction over all equity related matters, which include, but are not limited to divorce, child custody, child and spousal support and maintenance, guardianship, conservatorship, and disputes concerning wills and estates. Additionally, the court has jurisdiction over all civil cases appealed from the General District Court. The appellate jurisdiction is de novo which means that, notwithstanding a final civil judgment in the General District Court, once the case is appealed to the Circuit Court, there is a new or de novo trial in the Circuit Court, as if the trial below never occurred.

For criminal cases, the Circuit Court has original jurisdiction over all felonies and misdemeanors originally charged in Circuit Court, plus all misdemeanor cases, criminal bond motions and traffic cases previously adjudicated by the General District Court, but appealed to the Circuit Court. Additionally, the Circuit Court has jurisdiction over juveniles aged 15 years and older who are charged with felonies and whose cases have been certified by a Judge of the Juvenile and Domestic Relations District Court for trial in Circuit Court, and all properly appealed cases previously adjudicated by the Juvenile and Domestic Relations District Court.

The Circuit Court operates an Adult Drug Treatment Court (Drug Court) for probation violators. The Drug Court is an intensive, community-based treatment, rehabilitation, and supervision program for felony drug defendants. The mission of the drug treatment court is to enhance public safety by providing a cost-effective, integrated system of treatment and judicial supervision, in order to reduce recidivism.

The FY 2017 adopted expenditure budget for the Circuit Court is \$1,022,871, a four percent increase from the FY 2016 adopted budget. The adopted budget reflects:

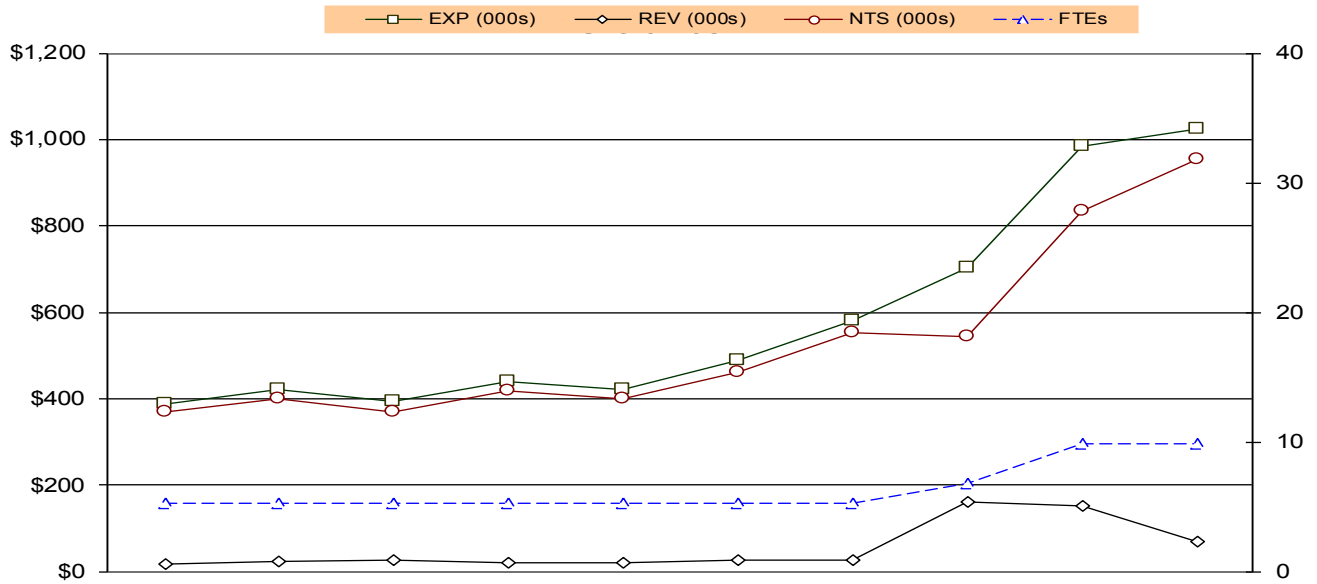

- ↑ **Personnel increases due to employee salary increases and an increase in the County’s cost for employee health insurance, offset by adjustments to retirement contributions based on current actuarial projections.**
- ↑ Non-personnel increases due to adjustments to the annual expense for the maintenance and replacement of County vehicles (\$10,093).
- ↑ Fee revenue increases due to higher projections in Falls Church reimbursements based on the FY 2017 budget and reconciliation of prior year payments with actual expenditures (\$7,247).

- ↓ Grant revenue decreases due to the September 2016 expiration of the Bureau of Justice Assistance grant for the Arlington County Drug Court (\$89,394).
