

RESOLUTION RE-ESTABLISHING THE COMMUNITY CRIMINAL JUSTICE BOARD.

- WHEREAS the Virginia General Assembly adopted legislation entitled the Comprehensive Community Corrections Act for Local-Responsible Offenders (Sections 9.1-173 et seq. of the Code of Virginia) and the Pretrial Services Act (Sections 19.2-152.2 et seq. of the Code of Virginia), both of which are in effect; and
- WHEREAS the Comprehensive Community Corrections Act for Local-Responsible Offenders and the Pretrial Services Act both mandate that any city, county, or combination thereof that is required to file a community-based corrections plan pursuant to Section 53.1-82.1 shall develop, establish, and maintain a local community-based probation services agency and a pretrial services agency; and
- WHEREAS the Arlington Community Corrections Program and the Arlington Pretrial Program have previously served the City of Falls Church and the County of Arlington, and provided the judicial system and its officers with enhanced information, and risk assessments, as well as sentencing alternatives for certain misdemeanants and persons convicted of non-violent felonies; and
- WHEREAS the Arlington Community Corrections Program and the Arlington Pretrial Program will continue to provide the judicial system and its officers with local community-based probation services and pretrial services to these same localities; and
- WHEREAS Sections 9.1-178 and 19.2-152.5 of the Code of Virginia require that each county and city participating in local community-based probation services or pretrial services establish a Community Criminal Justice Board and, in the case of multijurisdictional efforts, that each jurisdiction mutually agree upon the composition of said Board; and that the Board has been established prior to the drafting of this resolution; and
- WHEREAS the continued operation of a multijurisdictional Community Criminal Justice Board will result in a reduction in administrative costs to each locality, improved funding of priorities and available grant dollars, efficiency in offender supervision, increased diversion from incarceration and reduced recidivism, modern correctional services, and a forum through which to address challenges facing the criminal justice system.
