BARCROFT PHASE RC1 REHABILITATION DESCRIPTION OF WORK

# **Scope of Work**

The proposed project involves the rehabilitation of two existing buildings (Buildings 47 and 48) located within Barcroft Section 7. The buildings will be rehabilitated consistent with the Arlington County Conservation Area Standards, which are based upon the Secretary of the Interior's Standards for Rehabilitation. The project must also adhere to the Virginia Housing Minimum Design and Construction Requirements (MDCR).

The project scope of work includes:

- Repair of exterior masonry (including brick and cast stone); Repoint deteriorated mortar where necessary
  matching the existing size, shape, color, and texture. Repaint previously painted brick as necessary.
- Gently clean and wash all existing brick facades with low- to medium-pressure adhering to the Secretary of the Interior's Standards.
- Removal and replacement of aluminum double-hung and casement windows with new aluminum windows to match the original configuration.
- Removal and replacement of existing mechanical systems including existing through-wall mechanical system openings. Patch exterior wall to match surrounding brick.
- Removal and replacement of non-original light fixtures with new compatible fixtures.
- Repair/replace damaged roof sheathing and underlayment as required. Replace existing asphalt roofs in-kind.
- Repair and paint existing metal railings.
- Repair and paint existing non-original shutters.
- Repair and paint building entry doors and frames.
- Repair and paint all steel lintels.
- Repair and paint existing wood fascia and trim.
- Replace damaged attic louvers in-kind and paint all louvers.
- Addition of outdoor amenity spaces and landscape improvements behind Building 47.
- Creation of two accessible units on both buildings. Requires new openings in brick and extension of existing window openings.\*
- Addition of new exhaust penetrations on front and rear elevations\*
- Addition of a new window openings for new accessible units.\*
- Modification of an existing areaway on the north elevation of Building 48 to provide accessible entry.
- Addition of new entry doors with canopies above accessible entrances to meet Virginia Housing MCDRs.\*
- Addition of vinyl or aluminum cladding on existing wood trim per Virginia Housing MDCRs.\*\*
- Addition of new entry canopy above entrances to meet Virginia Housing MCDRs.\*\*
- \* Conservation Area standard modification necessary in order to meet MDCR requirements.
- \*\* Virginia Housing MCDR waiver requested.
