RE: Columbia Pike FBC Elder Care Amendment

Dear Ms. Garvey:

At its February 15, 2024, hybrid public meeting, the Housing Commission considered the Columbia Pike Form Based Code Elder Care Amendment. The Commission voted to approve the staff recommendation 9-0.

The Commission discussed who would benefit from this proposal. The Commission also discussed the definition of elder care and what uses would fall under that definition.

Thank you for your consideration and support of affordable housing in Arlington.

Sincerely,

Kellen MacBeth
Chair
