

Author Talk

Wednesday,
October 23

Central Library
Auditorium

6:30 - 7:45 p.m.

Dr. Jennifer Clark *Uneven Innovation: The Work of Smart Cities*

In partnership with the Information Technology Advisory (Tech) Commission, Dr. Clark will discuss how emerging technologies for the city of the future can exacerbate existing inequalities and what we can do to create an alternative future in which smart cities result in more equitable communities.
