

Historic and Cultural Resources Plan

From the April 2023 Initial Draft to the August 2023 Recommended Draft

What's Changed

The Recommended Draft includes:

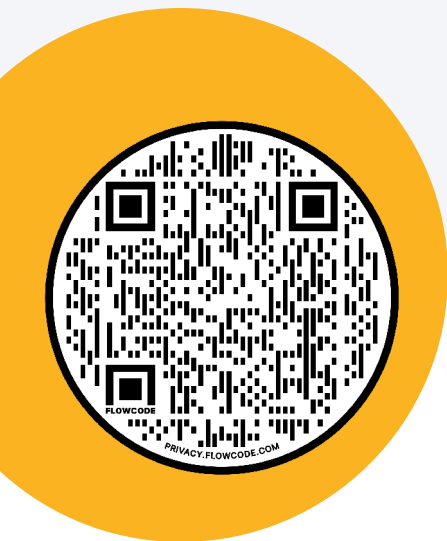

New information about:

- Locations of historic resources and neighborhood reference points
- Biophilic references to better connect the natural environment with the historic built environment

Updates to:

- Statement of Historical and Cultural Significance to provide additional context
- Partnerships goal to reflect the desire to work with the Department of Environmental Services on select transportation projects
- Regulation goal to clarify the proposed size of Neighborhood Heritage Districts
- Select section titles

A new Comprehensive Plan icon:

Once adopted by the County Board, the Historic and Cultural Resources Plan will equip Arlington with a new vision for historic preservation work over the next decade. **To learn more**, scan the QR code.
