MEETING TIME: 5:00pm – 6:00pm
COMMITTEE
ATTENDEES: Alexa Mavroidis- Chair, Herschel Kanter, Laura McNeil
STAFF ATTENDEES: Lynn Rivers, Clinton Edwards, Pierre Holloman, Paul Mounier, Kirk Dand, Rocco Visconti

1. Public Comment

- a. Public expressed concern about their questions to the subcommittee and County staff. Commentor requested a potential for a user group. These comments were supported by other members of the public.
- b. Public was pleased to have met with Department of Environmental Services Deputy Director about issues around STAR but would like to see more done.
- c. Public shared personal experiences using STAR and expressed frustration at different bad experiences.
- d. Public expressed a desire to see more integration and promotion of the subcommittee with the wider Transit Advisory Committee.

2. Approval of the Meeting Notes

- a. The meeting notes were approved.

3. Expansion of the Subcommittee

- a. Clinton Edwards and Pierre Holloman discussed with the subcommittee the possibility of expanding the number of subcommittee members. They explained the process behind this proposal and outlined next steps for a possible expansion.

4. STAR Feedback Summary

- a. County Staff shared an overview of the feedback received during the public engagement in fall 2023. Most responses were satisfied or very satisfied with STAR, there were potential areas for program improvement.
- b. County staff discussed with the subcommittee and public the possibility of future in-person meetings for the subcommittee, as well as the future of public engagement.
