

South Carlin Springs Road Open House

Welcome!

We're improving safety and access for all road users on S. Carlin Springs.

Check out our stations

- Completed Projects
- Upcoming and Future Projects

What is the roadway like today?

- Four vehicle lanes (some turn bays)
- Primary Transit Network (Metrobus 25B and Arlington Transit Route 75)
- 4-5' wide sidewalks with 0-2' buffer
- Curbs and handicap ramps not compliant with the Americans with Disabilities Act (ADA)

What do we know about vehicle speeds?

- Posted speed limit of 30 mph with additional \$200 fine
- Extended 20 mph beacon school zone for three schools on corridor (Route 50 to 7th Place S.)
- School zone speed limit currently enforced by ACPD speed safety camera program

What are the challenges?

- Limited public right-of-way
- Utility conflicts

Completed Projects

Arlington Boulevard to 7th Road S

7th Place S to Columbia Pike

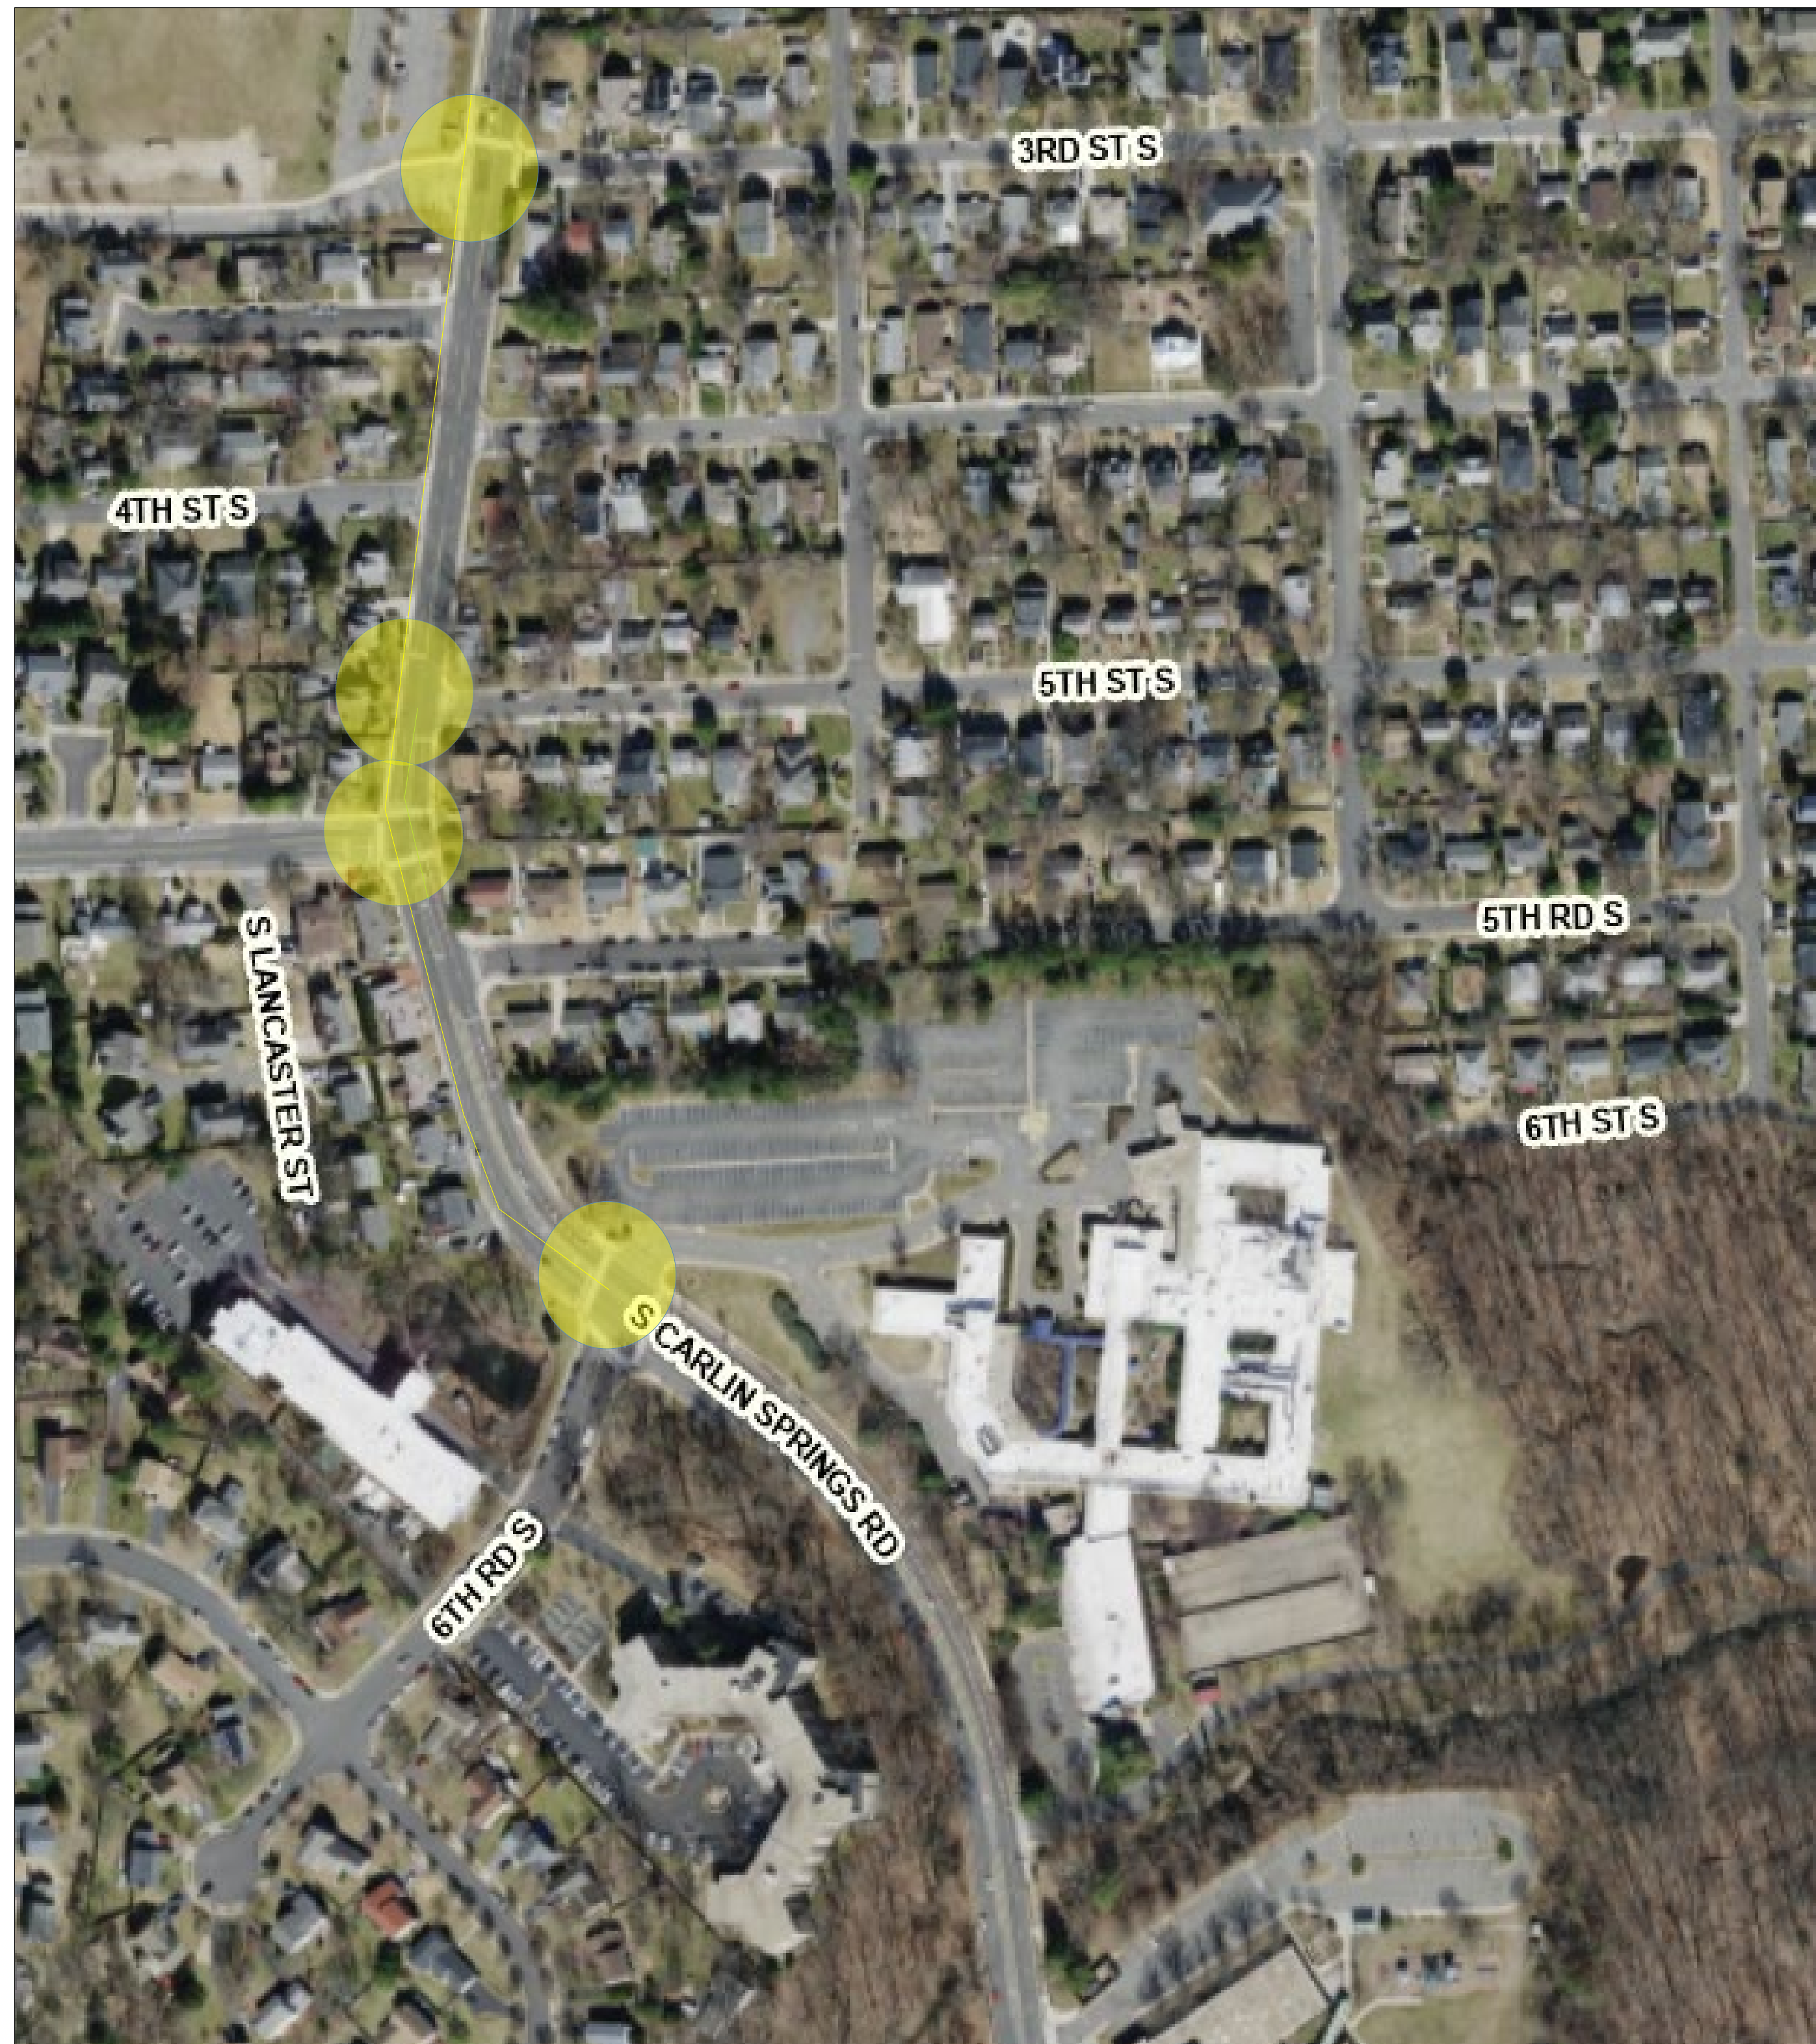

Upcoming and Future Projects

Upcoming & Completed

Signal Upgrades

- Complete
 - 3rd Street S
 - 6th Road S
- In design
 - 5th Street S

Future

- Sidewalk Improvements (2024-27)
 - Phase 1: 5th St S to 5th Rd S (east side)
 - Phase 2: 3rd St to 6th Rd (east and west side)
- S Carlin Springs Road Corridor Study (2026-27)

South Carlin Springs Road Sidewalk Improvements (3rd St. S to 6th Rd. S)

Goals

- Improve pedestrian safety and access
- Expand existing sidewalks
- Add a buffer zone between people walking and driving

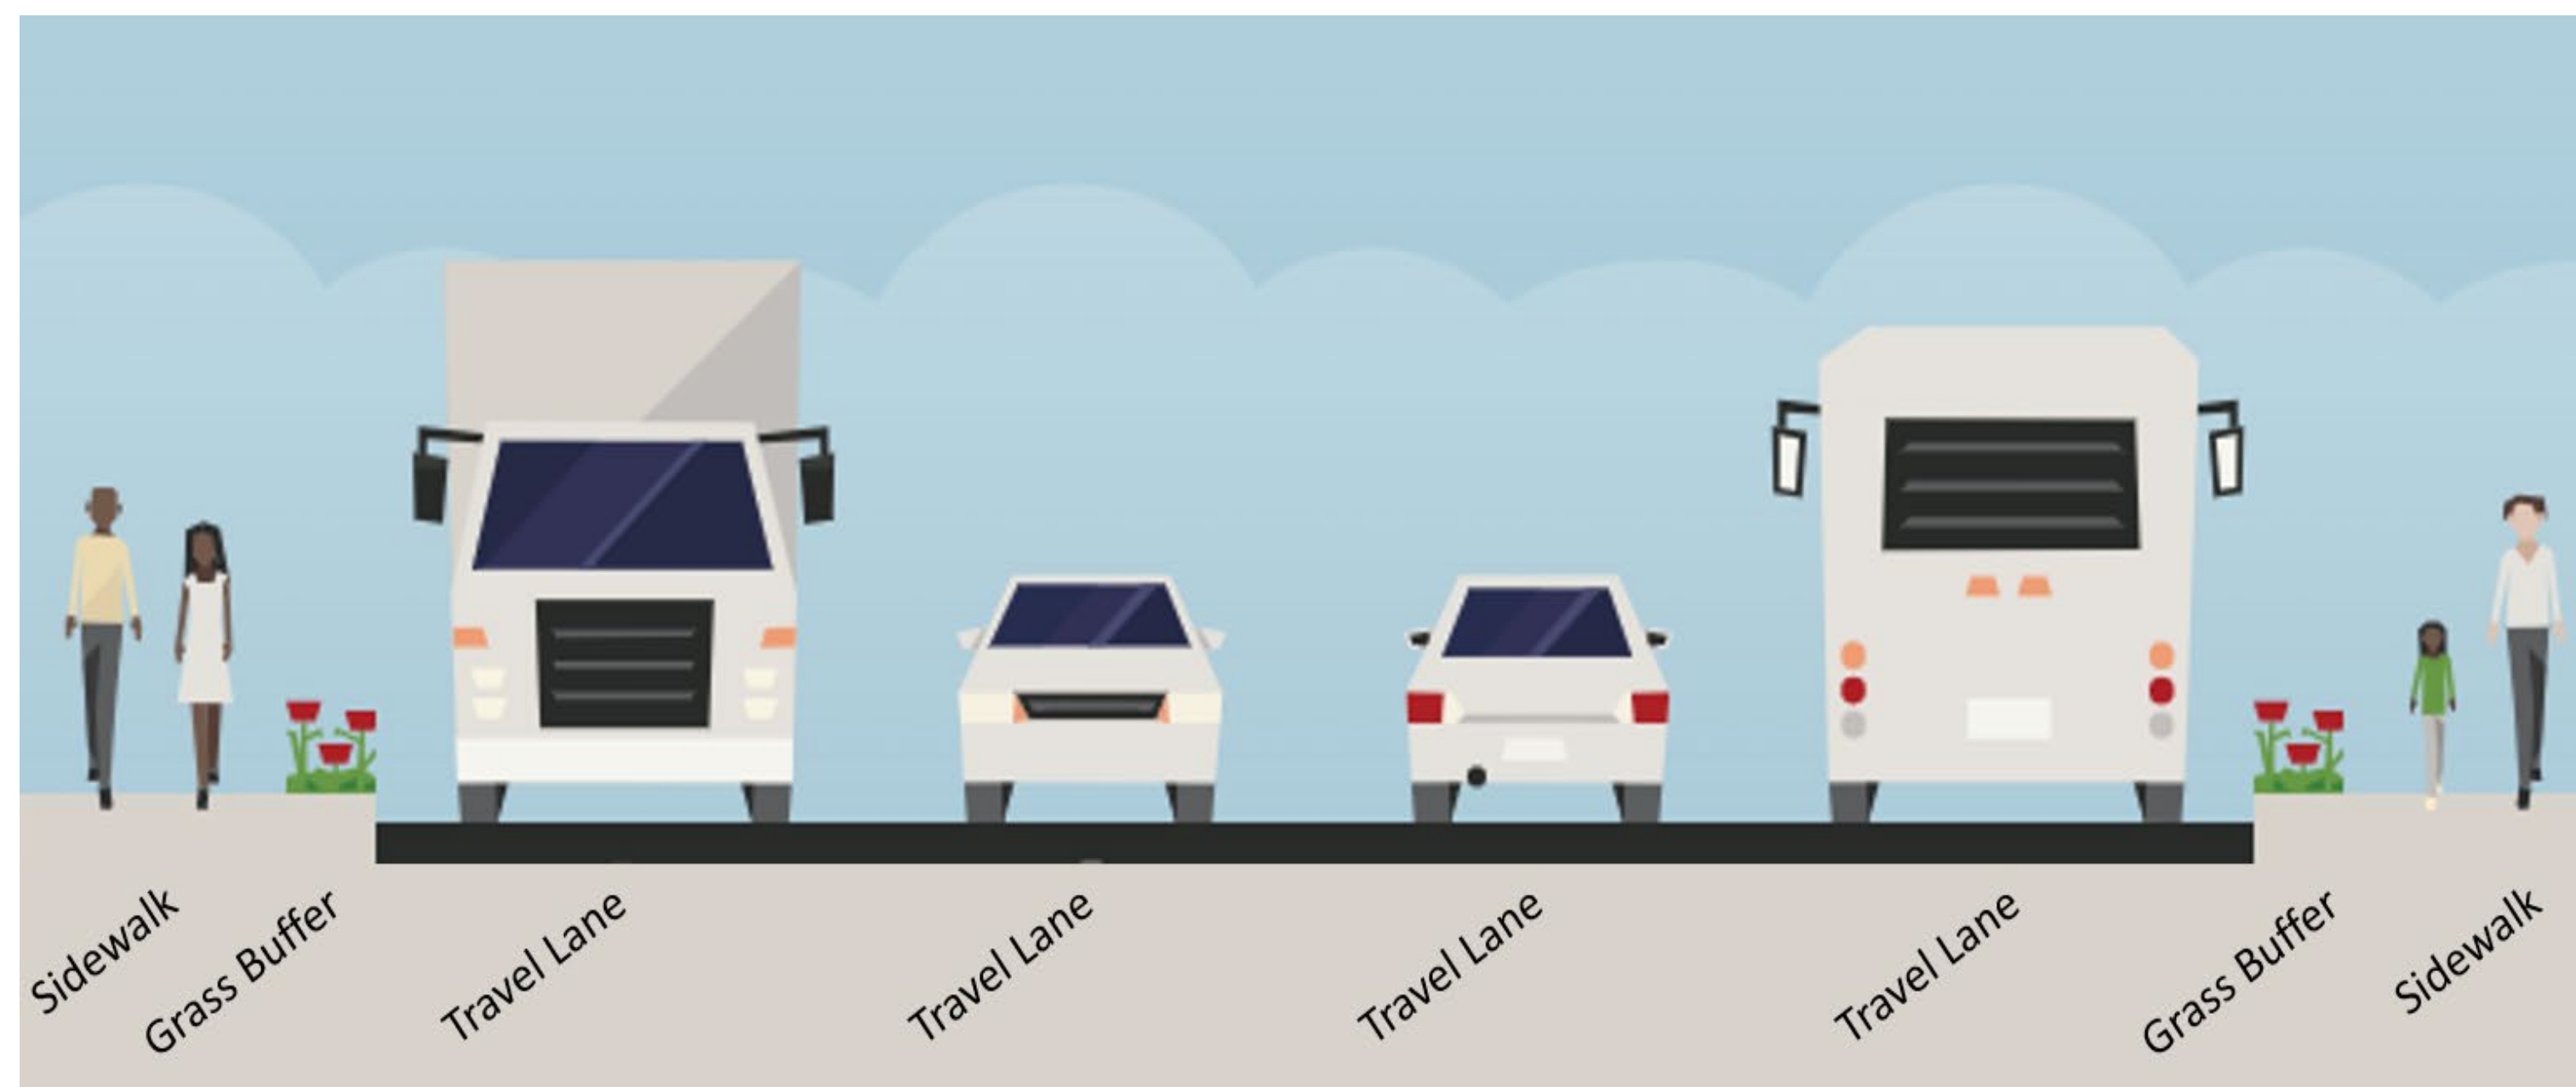

Image is for illustrative purposes only and does not represent a concept design. Dimensions will vary by block.

Constraints

- Limited public right of way
 - Dependent on ongoing negotiations with nearby property owners
- Utility conflicts
