Principle Development

- Existing Housing Principles as Starting Point
- Working Group – Draft Principles
- Input from Broader Community
 - This Forum
 - Online Survey
- Working Group assimilation of public comments into draft principles.

Housing affordability and accessibility are essential to promoting a sustainable, diverse, inclusive and economically vibrant community.

La vivienda asequible y accesible es fundamental para la promoción de una comunidad sostenible, diversa, inclusiva y económicamente dinámica.

A range of housing choices should be available throughout the County to accommodate households of all income levels and needs.

Un rango de opciones de vivienda debe estar disponible a lo largo del condado para acomodar a familias de todos los niveles de ingresos y necesidades.

Preventing and ending homelessness is a priority.

Prevenir y eliminar la indigencia es una prioridad.

Maintaining and expanding the affordable housing supply requires the participation and partnership of the public, private and non-profit sectors.

El mantenimiento y el aumento en la oferta de vivienda asequible requiere la participación y colaboración de los sectores públicos, privados y sin fines de lucro.

Affordable housing investments should complement the quality and character of the surrounding community.

Las inversiones públicas en vivienda asequible deben complementar las cualidades y las características de las comunidades en que se sitúan.

Housing assistance will be targeted to the lowest income households; particularly those with children, members who are elderly, or members with disabilities.

La asistencia para la vivienda debe ser dirigida a los hogares con los ingresos más bajos; en particular los que cuentan con niños, ancianos, o personas discapacitadas

Equal housing opportunity should be a reality. Housing discrimination should not exist in Arlington.

La igualdad en oportunidad a vivienda debe ser una realidad. Discriminación en vivienda no debe existir en Arlington.
