# Task Force Charge

- Review viable sites for a replacement Fire Station #8
- Identify potential sites that meet the Fire Department's operational criteria to include:
  - Improve fire/EMS response times.
  - Location(s) that does not adversely affect response elsewhere in the County
  - A site that is able to accommodate a 3 or 4 bay station with drive-through access and parking for 12 personal vehicles
  - A site on, or in close proximity to, an arterial street

# Charge (cont.)

- Balance service needs with cost (operating and capital)
- Recommend a site based on the consensus of the Task Force membership
- If no consensus can be reached provide 2-3 sites with justifications for each

# Task Force Draft Framework

A **Framework** to pinpoint the challenges at hand and key elements to inform our recommendation(s).

- Help to find consensus on the problem
- Help to determine what constitutes a solution
- Identify functional requirements
- Lead to weighted criteria

The Framework will help:

- Interpret the Charge
- Build consensus
- Compliment Subgroups' work

***The Framework is outcome agnostic***

## **Task Force Subgroups:**

- Framework
- Response Time
- Financial
- Historical/Legacy
- Siting
